

Bearers of Light-Cherag Stories

Murshida Rabia Perez-Chisti, Ph.D has been a Cheraga/Siraja for over 45 years. She has advocated the teaching of the Universal Worship and is a professor of World Religious Studies and has taught in Universities worldwide.

The Bearers of Light-Cherag Stories bring the reader into a delightful experience of devotion and happenstance that arose during many offerings of the Universal Worship Service. These stories are offered as a tribute to all the Cherags and Cheragas who hold aloft the Light of Truth.

The stories reflect a humorous and sacred encounter with humanity.

May the Sufi Message spread far and wide.
